About Us

Buena Vida is a state of the art, 240 bed residential health care facility with breathtaking views of the New York City skyline. We offer comfortable modern amenities in a home like environment where spacious sun filled rooms and lounges are designed to promote the clinical, social and spiritual healing of its residents.

Buena Vida is dedicated to meeting the healthcare needs of all those who require short term or long term placement. All residents are compassionately cared for by on site medical professionals 24 hours a day, 7 days a week.

Buena Vida's active rehabilitation department provides individualized programs for residents who are admitted for a variety of conditions. Discharge planning and other services are provided for a smooth and complete transition back home.
